Zoo

Ueno Farm

Plant life natural to the climate of Hokkaido is cultivated in the gardens of this farm. Take a spirit-lifting respite in the café as you look out over the Hokkaido Garden, which is created with careful consideration for the blooming seasons and colors of the flowers.

Asahikawa Ramen Village

The eight ramen shops that line this street work diligently to protect and improve the ramen culture of which Asahikawa is so proud. Universal access toilets and foreign language menus are available.

Asahikawa City Museum

Ainu cultural information and artifacts based on the latest research are on display at this museum, where you can learn about Asahikawa's nature and history.

Taxis are perfect for sightseeing!
Take a drive through the city based on the theme of your choice – from nature and culture to art and education!
